

Barrow sign Luton Town defender Andy Parry on loan

Luton Town have loaned the versatile Andy Parry to National League side Barrow for a month.

The 24-year-old can play in defence and midfield and has been added to the Bluebirds' squad for Saturday's FA Trophy tie with FC Halifax.

He played 10 games in a loan spell for divisional rivals Altrincham earlier in the season.

Parry, who joined the Hatters in June 2013 from Southport, has also spent time on loan at Telford.
